

**Deadline for submission: March 31, 2011**

The School of Oceanography Lowell K. and Alice M. Barger Scholarships are awarded based on a combination of merit and financial need and are renewable for subsequent academic years provided the following conditions are met:

- Academic performance (minimum of 3.0 GPA, maximal funds for GPA of 3.5 or greater)
- Enrollment in Oceanography major and satisfactory progress towards degree
- Demonstrated financial need (FAFSA forms on file with office of student financial aid)

Students receiving financial aid should contact the UW Financial Aid Office regarding how winning a scholarship might affect their award. If you are applying for a continuing Barger award, you do not need to submit a regular School of Oceanography scholarship application.

**How to apply for a continuing Barger award**

Please submit one packet containing the following:

- page 2 of this application
- a one-to-two page personal statement (see page 2)
- a copy of your unofficial UW undergraduate transcript (including Winter 2011, and courses currently enrolled in Spring 2011)
- copies of other college-level transcripts (if appropriate).

Materials may be turned in either to the Oceanography Student Services Coordinator, faxed to the phone number listed below, or sent to (postmark by the due date above):

**Scholarship Committee**
